

SACYR, S.A. ("SACYR" or the "Company") in accordance with the provisions of article 226 of Law 6/2023, of 17 March, on Securities Markets and Investment Services, and concordant provisions, announces the following:

### **INSIDE INFORMATION**

As a continuation of the Inside Information published on 10 June 2025 (registration number 2,769), with respect to the sale agreement for three concession assets in Colombia between SACYR, S.A. and an entity controlled by ACTIS LONG LIFE INFRASTRUCTURE FUND 2, it is informed that:

Following the fulfilment of the regulatory and conditions precedent to which the transaction was subject, the parties have proceeded to complete the sale, and therefore the company controlled by ACTIS LONG LIFE INFRASTRUCTURE FUND 2 has proceeded to purchase 100% of Sacyr's stake in the three concession assets in Colombia.

The transaction amounts to a total of US \$1.6 billion, of which the equity amounts to US \$332 million. The amount has been adjusted with an interest rate applied until the closing of this transaction.

In addition, Sacyr could also receive earn-outs valued at approximately US \$70 million more, depending on the success of several claims currently being processed, with a possible positive impact on the group's accounting and cash flow.

With the completion of this transaction, the company achieves the following objectives: (i) confirms and even increases the value of its assets, with the amount of the sale being 12% above the valuation provided at the Investor Day 2024; (ii) strengthens its balance sheet to accelerate the company's growth plan, and (iii) geographically rebalances the current project portfolio.
